

NEW ... the world's smallest
standard fitted CIC hearing aid!

SPECIAL OFFER - ONLY €899*

**INTRODUCING the "Q"
by ExSilent...**

The "Q" is a tiny capsule Digital hearing aid which **does not need an ear-impresion**. Using state of the art design, its patented soft silicone sleeves allow it to easily fit most ear sizes comfortably and virtually invisible.

Its finger-tip programme button allows the wearer to change between 4 unique settings, giving customised flexibility to suit all lifestyles.

THE FUTURE HAS ARRIVED!

- ◆ Digital Technology
- ◆ No Ear Impression Required
- ◆ Excellent User Comfort
- ◆ Soft hypo-allergenic sleeve
- ◆ Anti-feedback capability
- ◆ 4 push-button programmes
- ◆ Dynamic Noise Reduction

FREE Batteries included*

OFFER ENDS 30th Nov. 2009 *
